For Immediate Release

### **Robata Zawazawa lunch makes its debut in November**

*(Hong Kong, 27 October 2011)* Robata Zawazawa, Lan Kwai Fong's first and only robatayaki bar by GR8 Leisure Concept Limited, is introducing its robatayaki lunch, for the first time, ever. The lunch crowd in Central will find the various lunch sets indulging and satisfying.

Located at the southern end of D'Aguilar Street, Robata Zawazawa is the only robatayaki restaurant in Lan Kwai Fong offering exquisite top quality robatayaki and sake cocktails. Robata Zawazawa is a relatively new member in the Lan Kwai Fong community, opening its door for business only from February this year.

"Grilling is a favorite for most Japanese and Hong Kong people. With the autumn and winter seasons coming, nothing is better than sitting around the bar counter where the food is grilled and chatting with friends over some sake or cocktail," says Kenji Sato, one of the restaurant's Director.

Robata Zawazawa designed a whole range of new lunch sets, starting from HK\$160, which include six appetizers, main dish, rice, soup, drink and dessert. The choices of salt grilled Choshu chicken, unagi eel in Yanagama hot pot style and grilled Japanese pork belly with miso marinade are just some of the many choices you can savour. The restaurant also created an assorted vegetable skewer set for vegetable lovers. For those who love surprises, ask for our daily special and see what our chef will recommend.

"The main dish includes grilled Japanese wagyu, which the quality is superior, but we keep the price competitive and the set pampering. We are sure our customers will be pleased at this new lunch option in Lan Kwai Fong," Sato continues.

Who says lunch cannot be indulging? Come try the robatayaki lunch and we are pretty we will knock your socks off.
