FINDS Introduces “A Nordic Autumn”

Hong Kong, 14 Sept, 2011 – FINDS, Hong Kong’s first and only Nordic seafood restaurant and bar with award winning cuisine by celebrity chef Jaakko Sorsa, introduces its seasonal menu update, “A Nordic Autumn.”

Sorsa, the city’s only Finnish chef, creates new menu items inspired by seasonal produce from the land, water and forests. Highlights include *King Crab and Beetroot*; *Roasted Scallop and Hazelnut Gratinated Scallop*; *Poached North Sea Cod Fillet*; *Venison Tenderloin filled with Wild Mushrooms*; *Slow-braised Wagyu Cheek and Smoked Wagyu Tongue*; and the season’s signature dessert, *Fresh Pear and Raspberry Terrine with caramel Ice Cream, Almond Crumble and Godiva Liqueur*.

“The poached North Sea cod is particularly noteworthy,” says Sorsa, “when its white meat, which has low fat levels, is contrasted against the dark and intense porcini. The earthiness of the autumnal mushroom is further underscored by a bed of fresh spinach and green pea lentils.”

The season’s best pears are selected to create the chef’s new dessert dish, their mild sweetness and crunch contrasted by smooth terrine and subtly tart and succulent raspberries.

All ingredients are carefully chosen and sourced by Sorsa himself. Every component of the dish is then prepared from scratch in FINDS’ own kitchen, including sauces, in-house smoking of seafood and meats, and breads baked fresh twice daily.
