**THE LUXE MANOR CELEBRATES NEW WEBSITE LAUNCH AND TOP TRAVEL AWARD
WITH A SURREALY SPLENDID THEME SUITE PACKAGE**

Hong Kong, 17 March 2009 – In celebration of their newly launched website and recently received recognition from Travel & Leisure as one of the Top 5 Boutique Hotels in China, The Luxe Manor is offering three packages for their six sumptuous themed suites and uniquely designed rooms.

The Luxe Manor's new website, launched on 17 March, 2009, is every bit as chic and quirky as the boutique property itself. Featuring updated photos, hotel video and press features, the website has been designed specifically to be even more user and media friendly. The Luxe Manor video tour and extensive photos of The Luxe Manor lobby, deluxe rooms, themed suites, signature Italian restaurant Aspasia, and Dada Bar + Lounge are housed on the site, to not only easily feed downloadable images to the press, but to give guests and site visitors the complete The Luxe Manor experience.

Adding to their growing list of accolades, The Luxe Manor was recently recognized by Travel & Leisure Magazine Award for Top Five Boutique Hotels in China. Open since December 2006, The Luxe Manor is a distinguished member of Small Luxury Hotels of the World, the unrivalled collection of over 440 independent hotels in more than 70 countries offering "exceptional experiences."

In celebration of this huge recognition by one of Asia's top travel magazines, and in lieu of the launch of their new website, The Luxe Manor is offering two special room packages for their luxury theme suites. Each designed to communicate the ambiance and mystical experience of a specific fantasy, The Luxe Manor's theme suites are designed to transport guests to a realm that is anything but earthly.

Nordic takes guests to a glacially cool lair, with hints and overtures of ice-like inspirations, while guests in **Safari** receive a Middle Eastern luxury experience under the desert stars. For the romantically inclined, **Liaison's** bespoke round bed, lovingly inspired décor and Venetian mirrors are full of that certain romantic "something" that is bound to put anyone in the mood. **Royale**, a full-on manifestation of revived 1940's Hollywood glamour, brings the Marilyn Monroe-esque lifestyle back to the twenty-first century with lush wallpapers, lavish furniture and a bathroom designed for nothing less than a star. Then of course there is **Chic**, and it is just that. The plush seating, mirrored bathrooms and precise attention to detail in this suite create an ambiance that is sophisticated style, from top to bottom. Not for the faint of heart, **Mirage** is a decadently divine foray into surrealism where nothing is quite what it seems.

Guests can choose one of three packages. The first includes one night accommodation in one of the suites, complete with 24-hour butler service, in-room champagne upon arrival, breakfast and a set dinner for two in The Luxe Manor's signature restaurant, Aspasia, and round-trip limousine transfers to and from Hong Kong International Airport, for HKD \$8,000 plus 10% service charge.

The second package is for \$5,800 plus 10% service charge, and includes one night accommodation in one of the six themed suites. Guests will also receive in-room champagne upon arrival and breakfast at Aspasia.

For the last package, if guests stay two nights in standard rooms with the ideal rate package (i-rate package), they can get the third consecutive night free. Guests may enjoy daily breakfast at Aspasia. This offer is only available by booking through The Luxe Manor website

*All packages include free in-room internet access (wired and wireless) and free local calls.

*Offer valid through 31 August, 2009 and subject to availability of the hotel.
