Hong Kong, 4 Nov, 2011 – Besides being known for its Nordic seafood dishes, creative molecular cocktails and exquisite vegetarian choices, FINDS is giving its customers yet another reason to come back for more with its brand new European high tea set. This is the first time FINDS has ever introduced high tea in its history.

Customers can enjoy a lavish afternoon experience at FINDS with its brand new high tea set for just HK\$348. The European tea set menu features 11 delectable treats guaranteed to satisfy both sweet and savoury cravings. The treats are beautifully arranged in a three-tier Chinese-style shelf presenting freshly made, mouthwatering bites such as smoked salmon mousse on black bread, wild mushroom and spinach quiche, gratinated camembert cheese and black truffle toast, walnut custard mille-feuille, passionfruit and raspberry macarons, baileys cheesecake, just to name a few.

A tea or coffee pairing, such as organic ginger lemongrass or double espresso, will make the high tea experience even more indulging. All tea sets are served with a choice of luxury tea, coffee, wine or signature cocktail.

Advance reservation is highly recommended due to its popularity since FINDS introduced it end of October. Book a table by calling 2522 9318 or send an e-mail to reservations@finds.com.hk
