Ditch the Mainstream Restaurants on Valentine's Day

Hong Kong, 13 January, 2012 – Whether you are lovesick or love-struck, GR8 Leisure Concept Limited (GR8 Leisure Concept) has something for you this Valentine's Day. Ditch the mainstream restaurants and do your date a favor by picking a more unique place. FINDS, Cafe Roma, g.e and Robata Zawazawa offer the pizzazz you need for that special evening. We offer a range of options, from a la carte to special menus that will suit the budget and taste of everyone.

FINDS

Not sure who to take out yet? No problem. Whether your date is a seafood/meat lover or vegetarian, look no further than FINDS. Executive Chef of FINDS and the only Finnish chef in town, Jaakko Sorsa, prepares a 5-course Nordic Valentine's Day dinner that saves you the headache. Lovers can each choose a different main course with the choice of roasted pigeon breasts, gently poached silver cod fillet or grilled and marinated pumpkin and parsip. Vegetarians and veggie lovers will be in good hands at FINDS. For those who want a more sassy experience, add a specially designed 5-course wine pairing to the menu, which includes a "love potion" that infiltrates mystical and romantic elements to your night.

The Valentine's Day menu will be served from 10-14 February. From 10-13 February, both the Valentine's Day menu and a la carte menu will be available. On the special night of 14 February, only the magical Valentine's Day menu will appear in the restaurant, together with a unique sparkling gift for the lady on the table. There's also another surprise for the couples on that night (a secret for now). To enjoy the gift and additional surprise, please make sure to place a reservation and deposit with FINDS in advance. The food menu is HK\$688* per person and the wine pairing is HK\$288* per person.

Cafe Roma

Seriously, what can be more romantic than a Valentine's Day dinner by the beach? Cafe Roma is an all-day beachfront dining cafe that serves European cuisine, based on fresh, quality ingredients. Go to Ma Wan earlier during the day, take a long stroll on the beach, and enjoy a few cocktails in the al fresco dining area before you start off the 3-course dinner. Our celebrity chef Jaakko Sorsa designs another exquisite 3-course Valentine's Day menu for the lovebirds for 14 February. Similar to FINDS, there's a choice for steak, salmon or vegetarian. A quality romantic dinner doesn't have to burn a hole in your pocket. The food menu is only HK\$298* per person so you can splurge on some good wine and cocktails while you are there.

g.e

Even if you are not a Valentine's Day fan, we are pretty confident that you will enjoy this 9-course tasting menu at g.e where progressive dining was born. Executive Chef Bonelli is conjuring up some magical edible art in fun portions, and specifically 9 courses for good luck or eternal love. The lady will get a gift and both the gentleman and lady will both get a glass of champagne to set the tone for a flirty night. Of course, you will also be dining in a mystical environment at g.e where all your senses will be stimulated. It is a grand scheme that your date will love. How much? You will be pleasantly surprised. It is only HK\$1,999* for two. This special arrangement will only be available on 14 February. Seats are very limited and early reservations are highly recommended.

Robata Zawazawa

Located at the northern end of D'Aguilar Street, **Robata Zawazawa** is the only *robatayaki* restaurant in Lan Kwai Fong offering quality *robatayaki* and *sake* cocktails. Robata Zawazawa takes into consideration that some customers prefer to have a regular dinner rather than feasting on special menus. The a la carte menus will be available as usual. For those who want to spend some good time chatting with friends and co-workers on that day, Robata Zawazawa is the place to be.

*10% service charge applies
